Could you explain us your	Undergraduate (Graduação) grading system at USP ranges from 0,0 (zero)
credit grading system in full?	to 10,0 (ten), where zero is the lowest grades and ten is the highest one. To
	pass a course, a student must fulfill two conditions: minimum score of 5,0
	(five) and minimum attendance of 70%. The score represents an average of
	all work developed by the student.
	Each Professor has his/her own criteria for exams and work to be
	developed by the student. That information is detailed by professors in the
	first class of the course. If the final student score is between 3,0 and 4,99,
	he/she will be given a chance for re-evaluation: he/she still has a chance to
	pass. This is called REAVALIAÇÃO (Revaluation). If the final student score is
	below 2,99, then he/she failed the course.
	Post-Graduate (Pós-Graduação) grading system is based on four grades: A,
	B, C and R, where A, B and C are passing grades, and R is a failing grade.
	Minimum attendance required is of 75%. Registration in Post-Graduate
	courses is allowed only for foreign students attending the M2 in their home
	institutions. Students in M1 cannot attend Post-Graduate courses.
	mistrations. Stadents in M12 cannot attend 1 03t Graduate codises.
	USP Credit System:
	osi cicult system.
	USP academic credit system is based in Class Credit (Class work), and Work
	Credit. One class-credit is equal to 15 hours of class work, or class contact
	hours.
