*PLEASE NOTE: Our academic calendar consists in a 1st semester (fall semester) starting on October (es. October 2019) and in a 2nd semester (Spring semester) starting on the middle of February (es. February 2020). For this reason, our Call AY 19/20 will unavoidably concern selection of outgoing students according to this calendar: this means that **just** for those Universities with the AY that starts with a spring semester (es. Spring 2019 + Fall 2019) we will necessarily have to consider the Fall 2019 and the Spring 2020 dates and related deadlines.

*PLEASE NOTE: Our academic calendar consists in a 1st semester (fall semester) starting on October (es. October 2019) and in a 2nd semester (Spring semester) starting on the middle of February (es. February 2020). For this reason, our Call AY 19/20 will unavoidably concern selection of outgoing students according to this calendar: this means that **just** for those Universities with the AY that starts with a spring semester (es. Spring 2019 + Fall 2019) we will necessarily have to consider the Fall 2019 and the Spring 2020 dates and related deadlines.
