34. Visa information	Depending on the purpose of your travel to Georgia, there are
	different categories of visas that will apply to the occasion. Whether
	you are planning to go on a visit, study or work and reside there
	permanently, you will have to apply for a different Georgian Visa,
	accordingly. The fastest and easiest way to check whether you need a
	visa to enter and/or stay in Georgia, or transit the territory of
	Georgia is to click on "DO I NEED VISA" button and process step by
	step with simple online application:
	https://www.geoconsul.gov.ge/en/visaInformation?process=2
	To obtain a Georgian visa a person may submit the documentation as
	through <i>E-Application System</i> as via <i>e-Visa Portal</i> depending on the
	purpose of the travel. The documentation required for application
	differs depending on which category of visa (and status of residence)
	the applicant wishes.
	E-VISA PORTAL – the easiest way to get permit of entry into and
	travel within the territory of Georgia for the purpose of short
	stay. Prospective travelers have a possibility to obtain the short-term
	visa without visiting Georgian Embassy or Consular Office. A visa
	application shall be submitted through the e-VISA PORTAL only
	by <i>a person staying abroad</i> if the issuance of a C category short-term
	electronic visa by the Ministry is required. In the course of filling in a
	visa application through the e-VISA PORTAL, a message will be sent
	to the e-mail address indicated in the visa application to subsequently
	confirm the e-mail address and to ensure payment of the state duty.
	The e-mail address shall be confirmed within 1 (one) hour after it is
	sent, otherwise the visa application will be cancelled. The state duty
	shall be paid within 5 (five) hours after the message received on the e-
	mail address is confirmed.
	man address is committed.
	<b>E-APPLICATION SYSTEM</b> – through this system a person is
	eligible to apply for any category of visa. The system allows to submit
	e-application for booking time for submission of visa application at
	the appropriate consular office. Unlike the e-VISA PORTAL, after
	the visa application is submitted through E-Application System, hard
	copies of the signed visa application and all other documents
	necessary to issue a visa shall be submitted to the visa issuing
	authority by submitting them directly to the visa issuing authority or
	another body authorised to accept documents; and in the case of
	diplomatic and special visas – by directly submitting them to the visa
	issuing authority, or by post. To find information about Georgian
	Diplomatic missions and Consular offices click here.

\*PLEASE NOTE: Our academic calendar consists in a 1st semester (fall semester) starting on October (es. October 2023) and in a 2nd semester (Spring semester) starting on the middle of February (es. February 2024). For this reason, our Call AY 23/24 will unavoidably concern selection of outgoing students according to this calendar: this means that **just** for those Universities with the AY that starts with a spring semester (es. Spring 2023 + Fall 2024) we will necessarily have to consider the Fall 2023 and the Spring 2024 dates and related deadlines.

\*PLEASE NOTE: Our academic calendar consists in a 1st semester (fall semester) starting on October (es. October 2022) and in a 2nd semester (Spring semester) starting on the middle of February (es. February 2023). For this reason, our Call AY 22/23 will unavoidably concern selection of outgoing students according to this calendar: this means that **just** for those Universities with the AY that starts with a spring semester (es. Spring 2022 + Fall 2022) we will necessarily have to consider the Fall 2022 and the Spring 2023 dates and related deadlines.
